

Full Boat Covers

We make it happen!

WHY?

The Canvas WorksSM

Customization

...because we account for all the details that make covers functional and long lasting

Aesthetics

...because we strive to make your final boat cover look great with our expert fabrication and attention to detail

Practicality

...because we plan the best way to seam, fasten, zip and secure your cover, so you have the most efficient and functional cover

Protect your valuable marine vessel! Salt, wind, water, and birds can cause damage to your boat. A high-quality, well executed cover will reduce the wear and tear on your investment.

Fabric - Sunbrella or Stamoid fabric are fabulous choices for covers. Both are UV, fade, mold and mildew resistant and have a 10 year warranty.

Thread - We use thread that is made of 100% Teflon PTFE fiber, making it extremely resistant to UV rays. Its durability makes it the best all types of boat covers.

Hardware - Everything from zippers to snaps to Velcro flaps, our hardware is thoughtfully chosen and attached so it stays in place and functions properly.

Our creative design and fabrication team will meet all your boat cover needs whether it's a 10 foot dinghy or a 75 foot classic yacht.

Reinforcements - Areas with potential for abrasion are reinforced in order to protect both the cover and the piece being covered.

Function - We design and fabricate for minimal water intrusion and maximum protection. Key placement of windows and zippers provide optimal visibility, airflow and accessibility.

Fit - We carefully template your vessel to ensure the final cover is a secure, tailored fit.

Need a new COVER?

- 1 GET AN ESTIMATE:** Visit www.thecanvasworks.com or call 415. 331.6527.
- 2 APPROVAL:** Together we approve all your project details so we can order materials and put you on our schedule.
- 3 COMPLETION:** We will install your new cover and show you how to secure, remove & care for it. Enjoy the return on your investment.
